Information Needed for a Confirmed Quotation

- Destination, volume, shipment window, preferred packaging, required size/caliber, and required export documents.

Planning Notes

- Availability, sizes, calibers, and packing options are confirmed by EGAST's export team before final quotation.
- Final product specifications depend on buyer destination, market requirements, shipment window, order volume, and available packing materials.

Final availability, calibers, packing formats, shipment timing, and export documentation are confirmed by EGAST's export team for each buyer, destination, and order program.
